ORGANIC WEAKNESS

Immediately cured and Full Vigor Restored.
This Distressing A ffection—which renders Life and
Marriage impossible—is the penalty paid by the
victims of improper indulgences. Young persons are
too apt to commit excesses from not being aware of
the dreadful consequences that may ensue. Now,
who that understands the subject will pretend to
deny that the power of procreation is lost sooner by
those falling into improper habits than by the prudent? Besides being deprived of the pleasure of
healthy offspring, the most serious and destructive
symptoms to both body and mind arise. The system
becomes deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous
Irritability, Dyspepsis, Palpitation of the Heart,
Indigestion, Constitutional Debility, a wasting of
the Frame, Cough, Consumption, Decay and Death.

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote commbial happiness. Indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shinhones and arms, blotches on the head, face and extremities, progressing with frightful rapidity. till at last the paiate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, until death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveler returns."

It is a suclancholy fact that thousands fall victims to this terrible disease, owing to the unskilfulness of ignorant pretenders, who, by the use of that 60 BBLS.
